Overall Length:

22.870 inches

Overall Height:

10.470 inches

Overall Width:

19.000 inches

End Application:

Midas, an/usc-63

Product Name:

Multiplexer integration and dccc automation system (midas) power supply

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
