Environmental Protection:

Moisture proof and pressure proof and shock proof

End Application:

LAVC-2A-2;2-3550

Product Name:

Inverter, 28vdc/115vac

Special Features:

1500w 28vdc/115vac inverter; input power connector-ms3106f32-17s; output power connector-ms3470w14-4s; each unit shall be furnished with a pair (q type 2) of 16inch solid bearing rack slides p/n c-300-s-116 (06666) or equivalent; power rating 1500va 1000w 45a at 28vdc input; 62.5a input at 20vdc

Special Test Features:

Emi characteristics shall be in accordance with mil-std-461e section ce 1102, 106, sc101, 103, 104, 105, 114, 115, 116, re102-103

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
