Overall Length:

26.7 inches

Overall Height:

3.5 inches

Overall Width:

17.3 inches

Installation Design:

Rack

Input Phase:

Single single operating power rqmt

Output Phase:

Single single power output

Special Features:

Hardwire input; weight: 52.9 lbs; min input circuit must be 30 amp

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
