Environmental Protection:

General purpose

Electrical Power Source Relationship:

Operating

Installation Design:

Rack

Output Control Quantity:

4 multiple power outputs w/identical ratings

Output Control Type:

Ac-dc multiple power outputs w/identical ratings

Output Control Location:

Rear panel multiple power outputs w/identical ratings

Product Name:

1kw ac/dc rectifier module/power shelf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
