End Application:

6625-01-558-8041

Input Voltage Rating:

90.0 ac volts and 264.0 ac volts single operating power rqmt

Output Voltage Rating:

5.0 ac volts single power output

Input Frequency Rating:

47.0 hertz and 63.0 hertz single operating power rqmt

Operating Ambient Temperature Range:

+0.0 to 70.0 degrees celsius

Output Connection Type:

Connector, plug and connector, receptacle single power output

Product Name:

(dwg title) power supply, ps19q

Special Features:

Power unit: 3.65in; coaxial plug wire length: 72.00

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
