Overall Length:

12.000 inches

Overall Height:

5.250 inches

Overall Width:

10.750 inches

Installation Design:

Table

Output Voltage Rating:

300.0 ac volts single power output

Output Wattage Rating:

75.0 watts single power output

Output Current Rating:

400.0 ac milliamperes single power output

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
