Overall Length:

6.0 inches

Ac Voltage Rating:

19.0 volts single operating power requirement

Frequency Rating:

50.0 hertz and 60.0 hertz single operating power requirement

Electrical Power Source Relationship:

Operating

Output Signal Type:

Direct current

Product Name:

Ac power supply/adapter

Special Features:

Extension cord for extra length

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A541j0
