Overall Length:

33.700 inches

Overall Height:

45.700 inches

Overall Width:

20.500 inches

Battery Quantity:

1

Output Voltage Rating:

240.0 dc volts single power output

Battery Location:

External

Product Name:

External battery pack

Special Features:

Typical battery lifespan in n. America is 3-5 years

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
