**Overall Height:**

103.6 millimeters

**Overall Width:**

254.4 millimeters

**Output Voltage Rating:**

60.0 dc volts multiple power outputs w/identical ratings

**Special Features:**

Single and dual output; 30w to 100w output power; front and rear output terminals; over-voltage protection

**Specification Or Standard:**

6.7kg weight

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A39900
