Overall Height:

103.6 millimeters

Overall Width:

254.4 millimeters

Output Voltage Rating:

60.0 dc volts multiple power outputs w/identical ratings

Special Features:

Single and dual output; 30w to 100w output power; front and rear output terminals; over-voltage protection

Specification Or Standard:

6.7kg weight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
