Overall Height:
103.6 millimeters
Overall Width:
254.4 millimeters
Output Voltage Rating:
60.0 dc volts multiple power outputs w/identical ratings
Special Features:
Single and dual output; 30w to 100w output power; front and rear output terminals; over-voltage protection
Specification Or Standard:
6.7kg weight
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A39900
