**Overall Height:**

6.75 inches

**Overall Width:**

17.2 inches

**Battery Feature And Type:**

Rechargeable lead acid cell

**Product Name:**

Hp r7kva 4u 50a high voltage na/jp uninterruptible power system

**Special Features:**

Output voltage is sine wave; unit weight is 165lbs; electrical input voltage range is 160-253v @ 200/208v ; electrical input frequency is 50/60hz; maximum wattage based on voltage input is 200-240v: 7200va/7200w; hp ups network module is included; operating temp is 50-104f; 3 yr warranty

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A39900
