Overall Height:

6.75 inches

Overall Width:

17.2 inches

Battery Feature And Type:

Rechargeable lead acid cell

Product Name:

Hp r7kva 4u 50a high voltage na/jp uninterruptible power system

Special Features:

Output voltage is sine wave; unit weight is 165lbs; electrical input voltage range is 160-253v @ 200/208v ; electrical input frequency is 50/60hz; maximum wattage based on voltage input is 200-240v: 7200va/7200w; hp ups network module is included; operating temp is 50-104f; 3 yr warranty

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
