Overall Length:

2.28 inches

Overall Height:

0.50 inches

Overall Width:

2.40 inches

End Application:

Control and indicator

Installation Design:

Base

Input Voltage Rating:

155.0 dc volts single operating power rqmt

Output Voltage Rating:

28.0 dc volts single power output

Output Current Rating:

10.0 dc volt-ampere single power output

Product Name:

Dc-dc converter

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
