| Output | Voltage | Rating: |
|--------|---------|---------|
|        |         |         |

12.0 dc volts single power output

**Special Features:** 

Cold cranking current-900 (asae), starting power-6.5 kw, capacity-110 (ah)

Shelf Life:

N/a

**Unit Of Measure:** 

\_\_

Demilitarization:

No

Fiig:

A39900
