Inclosure Material:

Metal

Inclosure Type:

Case

Charging Voltage In Volts:

12.0

Charging Current Rating In Amps:

70.0

Features Provided:

Portable

Product Name:

Multi-tech service bay fast charger

Special Features:

Capable of charging multiple battery types; can provide 250 amp power boost to dead vehicle batteries; quick charging

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A31600
