Overall Height:
440.0 millimeters
Overall Width:
260.0 millimeters
Input Frequency Rating:
40.0 hertz and 70.0 hertz single operating power rqmt
Special Features:
Rack tower; rating 11000va/10000 watts; input voltage 176-276 without derating - 100-276v with derating; voltage
200/208/220/230/240/250v
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A39900
