AeroBase Group

Overall Length:

27.7 inches

Overall Height:

14.1 inches

Overall Width:

2.7 inches

Installation Design:

Panel

Output Control Location:

Front panel single power output

Output Connection Type:

Pin plug single power output

Ventilation Design Type:

Internal blower

Product Name:

Hp 2650 platinum hot power supply kit

Special Features:

Supporting 48 v dc power input voltages with the new hp 2650w 94 percent efficient hot power supply. Provide redundancy and dynamic power capping.Technical features: high-output type.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
