Overall Length:

7.87 inches

Overall Height:

2.70 inches

Overall Width:

3.90 inches

Input Voltage Rating:

90.0 ac volts and 264.0 ac volts single operating power rqmt

Output Voltage Rating:

12.0 ac volts single power output

Ripple Voltage At Full Load:

120.00 volts peak single power output

Product Name:

Switching power supply atx12v 400 watts, 2u

Special Features:

Remote on/off; internal 12v fan included; low noise and ripple; re-settable power shut down; 100% hi-pot, ate, and burn in tested

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
