Terminal Quantity:

2

Terminal Type:

Snap-on

Overall Length:

1.031 inches

Overall Height:

1.750 inches

Overall Width:

0.656 inches

Usage Design:

Radios, medical and calculators

Voltage In Volts:

8.4

Special Features:

Mercury type

Shape:

Rectangular w/rounded corners

Supplementary Features:

Type neda 1604m

Specification Or Standard:

6-25 type and p class

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T139-a
