**Mounting Method:**

Cradle

**Battery Quantity:**

2

**End Application:**

4920-01-173-0407

**Component Controlling Agency:**

Northrop corporation electronics division

**Component Name:**

Battery assembly

**Component Identifying Number:**

098018-301 drawing no.

**Special Features:**

Battery electrolyte: lithium/thionyl chloride

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T139-b
