Battery Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6135-01-193-8154

Mounting Method:
Cradle
Battery Quantity:
2
End Application:
4920-01-173-0407
Component Controlling Agency:
Northrop corporation electronics division
Component Name:
Battery assembly
Component Identifying Number:
098018-301 drawing no.
Special Features:
Battery electrolyte: lithium/thionyl chloride
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T139-b
