Overall Length:

7.437 inches

Overall Height:

1.290 inches

Overall Width:

2.570 inches

Battery Quantity:

8

End Application:

6515-01-135-0840; ecg monitor/recorder and defibrillator porta pak 90

Component Controlling Agency:

Medical research laboratories inc.

Component Name:

Battery pak

Component Identifying Number:

900142 drawing no.

Special Features:

12 volt nicad pp-90; protective cap; 2 11.000 in. Lg lead wires

Purchase Description Identification:

11442-900142

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T139-b
