End Application:

NHA7-02-501-3774

Component Controlling Agency:

Litton systems

Component Name:

Keep alive battery assembly

Component Identifying Number:

260169-100 drawing no.

Special Features:

Consists of "d" size lithium battery p/n 260833 and circuit card p/n 260833

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T139-b
