**Battery Electrolyte:**

Lithium

**Commercial Battery Size Designation:**

6 volt

**Contact Quantity:**

2

**Voltage In Volts:**

6.0

**Special Features:**

Arranged end to end in a plastic sleeve; buffered from cell to cell pounding by a load washer

**Shape:**

Cylindrical

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T139-a
