Terminal Quantity:

2

Terminal Type:

Post

Overall Length:

20.8 inches

Overall Height:

9.6 inches

Overall Width:

11.0 inches

Ventilation Design Type:

Venting accomplished through design

Terminal Location:

Top and end

Case Design Type:

Sealed

Product Name:

Ultra high performance battery 8d

Special Features:

Weight 185 lbs, pulse cranking amps 3, 150 a, cold cranking amps at -20f 1, 738 a, reserve capaci type 195 min, capacity-20hr rate 228ah, capacity-10hr rate 210ah

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T139-a
