Battery Electrolyte:

Lithium

Product Name:

Cardiac science aed battery

Special Features:

Used in powerheart aed g3 9300e, 9300a, 9390e and 9390a devices shipped after april 12, 2004; yellow in color; 1.65 lbs per battery; 4 year fully operational replacement guarantee from the date of installation; unit of issue ea

Shape:

Rectangular w/rounded corners

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T139-a
