Battery Electrolyte:

Silica-gel

End Application:

6515-01-266-7461

Integral Charging Facility:

Included

Voltage In Volts:

6.0

Special Features:

115vac rechargeable gel cell battery

Purchase Description Identification:

1bl86-613000

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T139-a
