Mounting Method:

Case

Battery Quantity:

2

Component Controlling Agency:

Signal corps

Component Name:

Battery assembly

Component Identifying Number:

549590 drawing no.

Special Features:

Thermostatic switch

Purchase Description Identification:

13973-549590

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T139-b
