**Overall Length:**

6.000 inches

**Overall Width:**

3.060 inches

**End Application:**

Avinics support

**Component Name:**

Rechargeable battery

**Special Features:**

Nickel-cadmium battery with 8 cells, a fuse and an interface connector

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T139-b
