End Application:

An/usq- (v) 1

Special Features:

The manufacturer name is power supply module, battery backup (psu18bat); function is battery backup power supply; battery protection is a 4 amp fuse; battery type is sealed lead acid (gel cell); battery electrolyte is lead acid; voltage in volts is 22.0; ampere hour capacity is 7.0; discharge rate in amps 3.0; cell quantity is 6; case design type is sealed; nonspilling feature and integral charging facility is included

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T139-a
