**Battery Electrolyte:**

Lead acid

**End Application:**

Acumentrics rugged ups 2500 series p/s

**Ampere Hour Capacity:**

33.00

**Discharge Time In Minutes:**

8.5

**Nonspilling Feature:**

Included

**Voltage In Volts:**

12.0

**Special Features:**

4 hours recharge time to 90%; temperature compensated float voltage

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T139-a
