Battery Electrolyte:

Lead acid

End Application:

Acumentrics rugged ups 2500 series p/s

Ampere Hour Capacity:

33.00

Discharge Time In Minutes:

8.5

Nonspilling Feature:

Included

Voltage In Volts:

12.0

Special Features:

4 hours recharge time to 90%; temperature compensated float voltage

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T139-a
