Tempurature Rating:

20.0 degrees celsius

Battery Electrolyte:

Lead acid

End Application:

Zoll medical m series cct transpot defibrillator

Integral Charging Facility:

Included

Special Features:

Recharge time 7.2 hrs, 60 defibrillator discharges at energy, 200 joules, 2.5 hrs. Continuous

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T139-a
