Terminal Quantity:

2

Terminal Type:

Connector, plug

Overall Depth:

14.100 inches

Overall Height:

6.200 inches

Overall Width:

5.400 inches

Battery Electrolyte:

Lead acid

End Application:

Models sua750, sua750i, sua750usa

Terminal Location:

Top

Ampere Hour Capacity:

168.00

Approximate Shelf Life:

6.0 months

Case Design Type:

Sealed

Special Features:

Leakproof; suspended electrolyte

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T139-a
