Overall Length:

19.800 inches

Overall Height:

17.000 inches

Overall Width:

7.700 inches

Battery Quantity:

2

End Application:

Used on apc sua 2200/3000 va 5u rack tower model power supplies

Component Controlling Agency:

Apc

Component Name:

Smart ups xl48v battery pack

Component Identifying Number:

Sua48xlbp type no.

Special Features:

External battery enclosure; 48 vdc input/output; 2 x lead acid rbc type battery; 1632 volt/amp capacity; black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T139-b
