Terminal Quantity:

2

Terminal Type:

Button and flat contact

Commercial Battery Size Designation:

C

Contact Quantity:

2

End Application:

Eurofighter 2000

Terminal Location:

Bottom and top

Product Name:

Accupower c6000 mah nimh battery

Special Features:

Extra long life batter with average 5800-6100 mah capacity; can be recharged up to 1000 times; excellent for power intensive items such as radios and remote controls; can be substituted for nicd size c battery in most equipment

Shape:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T139-a
