Terminal Quantity:
2
Terminal Type:
Button and flat contact
Commercial Battery Size Designation:
C
Contact Quantity:
2
End Application:
Eurofighter 2000
Terminal Location:
Bottom and top
Product Name:
Accupower c6000 mah nimh battery
Special Features:
Extra long life batter with average 5800-6100 mah capacity; can be recharged upt to 1000 times; excellent forpower intensive items such as
radios and remote controls; can be substitutedfor nicd size c battery in most equipment
Shape:
Cylindrical
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T139-a
