Overall Height:

4.250 inches

Overall Width:

6.500 inches

Case Material:

Metal

Approximate Shelf Life:

4.0 years

Case Design Type:

Sealed

Special Features:

Leakproof; enclosed battery cartridge; expected battery life 3-5 years; rbcquantity type 1; net weight 54.00 lbs; maximum depth 22.500 inches; shipping weight 58.00 lbs; shipping width 12.250 inches; shipping height 11.000 inches; shipping depth 29.000 inches; unites per pallet 24.00; operating environment 32-104 degrees f; operating relative humidi type 0-95 pct; operating elevation 0-10000 feet; storage temperature 23-113 degrees f; storage realtive humidi type 0-95 pct; storage elevation 9-50000 feet

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T139-a
