Mounting Method:

Case

Battery Quantity:

1

Component Controlling Agency:

1u3e8

Product Name:

36v li-ion battery

Special Features:

Provide high power for corded performance; deliver 2-3x more run time vs 18v; offer long battery life and durability; 2,000 recharges; lightweight design, 2.4 pounds; compatible with entire line of 36 volt of dewalt 36 volt tools

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T139-b
