Terminal Quantity:

2

Terminal Type:

Post w/bolt

Overall Length:

10.250 inches

Overall Height:

10.940 inches

Overall Width:

7.060 inches

Separator Material:

Fiberboard

Case Material:

Plastic, polyethylene

Commercial Battery Size Designation:

6 volt

Terminal Location:

Top

Ampere Hour Capacity:

20.0

Charge Indicator:

Not included

Electrolyte Level Indicator:

Not included

Case Design Type:

Filling plug openings

Product Name:

Heavy-duty deep cycle battery

Voltage In Volts:

6.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T139-a
