Round Conductor Size:	
-----------------------	--

Voltage Rating:

22 awg 1st conductor

600.0 ac rated working voltage 1st conductor

Material:

Copper alloy core conductor single conductor

Specification Data:

81349-mil-w-22759/33-22-59 government specification

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A077a0
