Radio Frequency Cable - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6145-01-563-2095

conductor Quantity:
onductor Form:
olid, tubular single conductor
pecial Features:
coaxial cable, 50 ohm, conductor 19 32 awg, silver plated, copper shields awg36 tin plated copper, dielectricray foam xl, jacket zercha
olor black
laterial:
copper core conductor all conductors
helf Life:
l/a
nit Of Measure:
emilitarization:
lo
iig:
077a0
