Conductor Quantity:

2

Conductor Form:

Solid all conductors

Product Name:

Heavy duty bolt-on washer thermocouple assembly

Special Features:

6 foot 304 stainless steel armor cable; having stripped wire leads; flexible cable o.D. Is 0.275 inches; washer i.D. Is 0.260 inches; washer thickness is 0.070 inches; uses standard male connectors for cold end termination; rated to 480 degree c (900 degrees f)

Material:

Steel comp 304 core conductor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
