End Application:

1385-01-559-4872, disposal kit, explosive ornanace disposal

Product Name:

Rapid fire wire coil

Special Features:

Height 11 cm; width 6.5 cm; weight 1125 g; 23 gauge; dual strand, lubricant-coated and insulated copper firing wire; enables rapid manual, vehicular or robot deployment under any weather conditions irrespective of temperature or precipitation; total resistance: 31 ohms tensile strength

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
