End Application:

Used on heatcon military dual zone hot bonder b model hcs9200n nsn 4920-01-528-7446 flightline composite aircraft repair system

Voltage Rating:

220.0 ac rated working voltage single conductor

Special Features:

Input power cable (european) w/o plug; 20 amp

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
