Cross Sectional Shape:

Round

Cross Section Outside Diameter:

5.4 millimeters

Conductor Quantity:

2

Conductor Form:

Solid all conductors

Product Name:

10405 ultraflexible 2-conductor microphone cable

Special Features:

Length per spool: 100m/328ft; color: black

Material:

Copper 6th position conductor all conductors

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
