End Application:

Mission and security products

Conductor Quantity:

5

Product Name:

Five conductor power cable gexol insulated

Special Features:

Cable, 100 ft, 4awg, 5c; cable is designed for the distribution of power in circuits rated for 600/1000 volts

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
