Product Name:

Extension grade polyvinyl insulation

Special Features:

Calibration type: j, gage: 20 awg stranded, size thermocouple: 0.215j, note: spool length may be required upon order, spool lengths are 25, 50, 100, 200, 500, or 1000 feet

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A077a0
