End Application:

Miscellaneous electrical

Product Name:

Cable, electrical, lightweight, fire retardent lcac

Special Features:

Wire size: 22 awg; number of conductors: 12; voltage rating: 600.00 volts; jacket color: black; print color: white; material: tinned copper braid;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
